#### ABOUT HANSRAJ JIVANDAS COLLEGE OF EDUCATION

Gujarat Research Society [GRS] established in 1936 founded Hansraj Jivandas College of Education [HJCE] in 1969 and thus made a major foray into the sphere of teacher training. HJCE was a culmination of the foresighted vision of Dr. Madhuri Shah, a nationally and internationally acclaimed academician & the Ex-Chairperson of UGC. The campus has been developed aesthetically and functionally with well utilized space and has a state of art infrastructure that is possible within the given space. H.J. College of Education is one of the best Teacher Education institutions in the country. The college is continuously engaged in activities that benefit all its stakeholders. Today the college offers training to future teachers and administrators with emphasis on creative teaching, research, and harmonious blending of modern technology with Indian values and culture. The college has been re-accredited by NAAC with 'A+' Grade and is granted Autonomous status by UGC.

#### ABOUT THE WORKSHOP

The art of critical thinking has a more pragmatic and empirical approach. Similarly our scale of Pedagogy is also a continuous process and it also undergoes phase of transition and transformation. This workshop aims to address the synthesis between critical thinking and pedagogy, so as to make the course of teaching and learning as seamless as possible. We need to acknowledge that the role of educators and mentors in educational institutions is equally vital under the New pattern of education and, so this regional level workshop would assist in empowering and enhancing the existing pedagogical skills of these prominent stakeholders in academia.
