Khar (West), Mumbai

IQAC & ECCED Unit of HJCE

Under the aegis of RUSA

organizes

Regional Level One Day Workshop on 'Understanding Early Childhood Education as a Foundational Stage Program of NEP 2020'

DATE: 3RD SEPTEMBER, 2025

ABOUT HANSRAJ JIVANDAS COLLEGE OF EDUCATION

Gujarat Research Society [GRS] established in 1936 founded Hansraj Jivandas College of Education [HJCE] in 1969 and thus made a major foray into the sphere of teacher training. HJCE was a culmination of the foresighted vision of Padmashree Dr. Madhuri Shah, a nationally and internationally acclaimed academican, Ex-VC of SNDTWU & Ex-Chairperson of UGC. HJCE is one of the best Teacher Education institutions in the country. The college is continuously engaged in activities that benefit all its stakeholders. The college offers training to the future teachers through its Two years B.Ed. Degree Program and One Year Diploma in Early Childhood Care and Education with emphasis on creative teaching, research, and harmonious blending of modern technology with Indian values and culture. The college has been re-accredited by NAAC with 'A+' Grade and is granted Autonomous status by UGC.

ABOUT THE WORKSHOP

This workshop offers an in-depth exploration of Early Childhood Care and Education (ECCE) and the Foundational Stage as envisioned in the National Education Policy (NEP) 2020, emphasizing its pivotal role in shaping lifelong learning. Through an informative presentation, participants will understand the significance of ECCE, the vision and goals of the NIPUN Bharat Mission, and the National Curriculum for the Foundational Stage (NCF-2023) along with strategies to map NCF goals with NIPUN Bharat objectives. The session will also feature engaging group activities where participants will experience play-way, activity-based, and joyful learning methods as well as collaboratively design competency-based, age-appropriate educational materials aligned with NCF-2023. This interactive format ensures both conceptual clarity and hands-on application to promote holistic development in early learners.
